

Guitar Stompboxes

HEAVY DISTORTION HD300

Heavy Metal Distortion Effects Pedal

- Pushes distortion to the extreme by producing crushing, bottom-heavy distortion for modern metal and hard rock
- This BEHRINGER product has been designed to compete head to head with leading products on the market
- Dual distortion with gain boost circuitry to give you super thick and heavy distortion with brutal low-end punch and endless sustain
- Dedicated Gain Boost, Distortion, Tone, Bottom and Level controls for awesome sound shaping
- Status LED for effect on/off and battery check
- Runs on 9 V battery or the BEHRINGER PSU-SB DC power supply (not included)
- First-class electronic On/Off switch for highest signal integrity in bypass mode
- 3-Year Warranty Program*
- Conceived and designed by BEHRINGER Germany

When you're ready to go beyond the "normal" boundaries of distortion, you're ready for the sizzling sound of the HEAVY DISTORTION HD300 – a powerful dual-distortion pedal with a massive gain boost for super-thick, heavy low-end punch and endless sustain.

Outrageous Distortion

In addition to providing loads of outrageous distortion, the HD300 allows you to really crank up the bottom-end and gain – for the ultimate heavy metal barrage!

*Warranty details can be found at music-group.com.

HEAVY DISTORTION HD300

Heavy Metal Distortion Effects Pedal

Just Turn a Few Knobs

With its dedicated Gain Boost, Distortion, Tone, Bottom and Level control, you can easily dial in a trademark sound all your own. The status LED tells you when the pedal is activated, and the rock-solid on/off switch maintains outstanding signal integrity in bypass mode. Power your HD300 with either a 9V battery or our PSU-SB DC power supply (not included).

Value

For a tone that's truly outrageous, test-drive the awesomely-affordable HEAVY DISTORTION HD300 at the nearest BEHRINGER dealer today – or get yours online.

You Are Covered

We always strive to provide the best possible Customer Experience. Our products are made in our own MUSIC Group factory using state-of-the-art automation, enhanced production workflows and quality assurance labs with the most sophisticated test equipment available in the world. As a result, we have one of the lowest product failure rates in the industry, and we confidently back it up with a generous 3-Year Warranty program.
