

WorkForce DS-560

DATASHEET / BROCHURE

The WorkForce DS-560 is an A4 sheet-fed scanner, ideal for small to medium businesses and governments, banks and healthcare establishments.

With fast scanning speeds and fast data-processing features, it is ideal for easy document workflow. In addition, the WorkForce DS-560 has Wi-Fi connectivity and Wi-Fi Direct™, plus a USB interface. With Document Capture (Mac) and Document Capture Pro (Windows), multiple users can convert, sort and automatically export scanned files to the cloud and other document management systems.

Performance and productivity

This compact scanner has scanning speeds of up to 26ppm / 52ipm, even at 300dpi in colour. This, combined with hardware JPEG compression, makes large scan jobs faster to process.

Seamless integration into document management and cloud systems

Epson Document Capture and Document Capture Pro make it easy to integrate this scanner into your document management system, speeding up workflow and enabling you to capture, convert and distribute scanned information into your document filing systems. In addition, the Pro version for Windows offers barcode recognition and Zonal OCR to help automate document processes, such as file naming and folder creation.

Scan software included or download our new free app

Epson Scan¹ offers a wide selection of advanced document imaging features, including text enhancement and automatic de-skew, which help improve efficiency and increase workload output. This model also scans to .docx, .xlsx and .pptx. Scan to your Android or Apple mobile device by downloading the new Epson DocumentScan app from Google Play or the Apple App Store.

Flexible connectivity

Wi-Fi, Wi-Fi Direct™ and USB interfaces allow you to conveniently connect to this scanner.
